All residents of Wilbraham should sign up for the State's Preregistration System for Covid-19 vaccination appointments if they have not done so already. Once signed up, the system will provide you with weekly status updates as to the availability of appointments for your phase. This preregistration system will include available appointments at the Palmer Regional Vaccination Clinic 75% of the first dose allocation for this site will be filled through the state's preregistration system.

Due to the Town's collaboration on establishing this regional site in Palmer, **a limited number of appointments will be released each week for Wilbraham residents only.** If you are a Wilbraham resident, you can register for a

dedicated Wilbraham appointment by calling the Wilbraham Public Health Office at (413) 596-2800 extension 120 to book an appointment. Additional appointments will be added weekly, pending receipt of supply from the state. These appointments are kept separate from the State's preregistration system above. If you secure an appointment, you will receive an email with the details of your appointment.

Information and links will be posted to the Town's Covid-19 Information Page and will be updated regularly: <https://www.wilbraham-ma.gov/839/Covid-19-Information>.

If you have questions or concerns regarding the vaccine rollout or Covid-19, please contact the Wilbraham Public Health Office at (413) 596-2800 ext 120
